Shingle Tiles

Ironwood Shingles are a traditional roofing material in Indonesia, this type of roofing first originated in Kalimantan, Borneo, where it has been used for hundreds of years for housing, due to its strength, aesthetic appeal and weather resistance. Ironwood Shingle dimensions are 570 x 75 mm.

Western Red Cedar Shingles are widely used in North America, and Europe, these shingles offer a great alternative look to the Ironwood shingles. Cedar shingles are 520mm in length and vary from 100-200mm in width.

Designed to withstand our extreme climate, all our shingles are 100% waterproof when installed correctly, with a life expectancy of over 20 years.

- 100% waterproof
- Require minimal maintenance
- Mould & mildew resistant
- Termite resistant
- Long lifespan and durability
